**FIRE CHIEF'S REPORT:** Todd Dormaier, Assistant *Fire Chief*

- WWFD LODD services went very well for the team. We were thanked by Chief Harris for allowing AC Dormaier to assist. Due to unforeseen circumstances, we were not able to send our Type 1 Engine. We did send a staff vehicle and Resident Mooney attended and represented us.
- Benton County Fire 4 family tragically lost one of their firefighters. We are working to support their agency and members. This loss was felt throughout the region and has drastically impacted one of our members. We are working through it with our members. Local peer support has been mobilized, EAP offered, and our fire family checking in and monitoring our personnel. We will update everyone with details of the BC4 firefighters' services and need of the agency as they become available.

- Rehab is working on the final details and location for this year's Appreciation Dinner. We hope to have a "Save the Date" out this week. They are meeting to organize the rest of the details this Friday.
- The annual BLM contract is complete, signed and submitted. No changes from previous contract.
- Finishing repairs to the resident room. Hope to be completed next week.
- Testing is happening on the 16<sup>th</sup> for resident applicants. We will have a new resident hired shortly and sent to EMT class.
- Current recruits re finishing Hax-mat this weekend (2/10/24) at the Fire Training Center with their IFSAC test. Assistant Chief Dormaier, Captain Meye, Firefighter Hodgson and I will be attending to help administer the test. This means they will be fully qualified.
